There are not many places in the world like Powerscourt Golf Club, located only 30 minutes from Dublin airport. The East course was designed by the talented golfer and successful Walker cup captain Peter McEvoy who brilliantly follows the contours of this mature and historic landscape. It has hosted the 1998 Irish PGA which three time major winner Padraig Harrington won in a playoff. The East course also hosted the 2001 Irish Seniors Open.

The West course at Powerscourt brings David McLay Kidd's experience and detail for a challenging, rewarding and highly enjoyable golf course to life. The beautiful scenery and the greens from the West course can be heard talked about in the clubhouse all evening long from our visitors who want a second chance at it.

Rathsallagh Golf & Country Club Wicklow

This magnificent course opened in 1994 and was designed by Peter McEvoy and the late Christy O'Connor Jnr. It sits in beautiful parkland with mature woodland lining all the fairways. Rathsallagh is a golf course built to championship standard, routed over rolling terrain and with a number of burns, ditches and ponds that bring water into play on several holes. The course is beautifully maintained with challenging bunkers and hundreds of trees flanking the fairways.

Blainroe Golf Club Wicklow

You will find Blainroe Golf Club just south of Wicklow Town, its clifftop location affords some spectacular views of the Irish Sea.

Our 18 Hole, Par 72 Course measures 6175 meters, opened in 1978 and carries the prestigious Hawtree & Son design signature. Blainroe is now recognised as one of the finest coastal parkland golf courses in the south-east of Ireland.

In the modern Clubhouse visitors can avail a full bar, catering facilities, and a fully stocked Professional shop.

"We loved our golf break to Wicklow. The courses were wonderful and so accessible from our hotel."
